

P2000 positioner order code

A= Model no

- P 2 0 0 0 Double acting electropneumatic positioner
- P 2 0 2 0 Double acting electropneumatic positioner, high air delivery
- P 2 0 5 0 Double acting electropneumatic positioner, high performance

B= Connections

- N 1/4" NPT Air 1/2"NPT electrical

C= Surface treatment

- E Anodised

D= Spindle

- 2 3 Rotary, Namur, VDI/VDE 3845

E= Cam

- F 0 1 Aluminium cam
- F S 1 Stainless steel cam

F= Front cover

- P V 9 90 deg, 0-100% scale

G= Function

- D Direct

H= Indicator

- A Arrow

I= Seals/Temperature

- Z NBR -15 deg C

J= Gain range

- H High Gain
- L Low gain
- N Normal gain
